OVERVIEW

As managing director of practice management, Mary Cabell leads a high-performing team of practice management professionals dedicated to the operational excellence and strategic growth of the firm. With more than two decades of experience at Troutman Pepper Locke, Mary Cabell serves as a trusted partner to firm leadership, driving the execution of strategic priorities, optimizing resources, and advancing client service and efficiency initiatives across the firm's practices.

In close collaboration with administrative leaders firmwide, Mary Cabell and the practice management team deliver strategic guidance and operational support that enables the firm's practices to grow, compete, and succeed in an evolving legal market.
