January 16 – 17, 2025

David E. Harrell, Jr. is a Conference Co-Chair of the 13th ITA-IEL-ICC Joint Conference on International Energy Arbitration, which will be held on January 16-17, 2025, in Houston, TX.

On January 17 from 10:15-11:05 am CT, David will be moderating the “Construction Disputes in Energy Projects” session to discuss the most effective methods to resolve construction disputes that arise in complex energy projects, including FIDIC contracts, dispute resolution boards, and effective advocacy methods.
