August 23 – 25, 2023

Mack McGuffey and Byron Kirkpatrick will be speaking at the 16th Annual Georgia Environmental Conference.

Join Mack on August 23 for the “EPA Region 4 Air Update and Upcoming Changes: Legal Perspective” session at 1:15 p.m. This session will provide a summary of recent efforts by EPA and environmental groups to more closely scrutinize minor air permits, and tips on how to minimize the risk of challenges and delays in applying for and obtaining a minor air permit.

Byron will be participating in the August 24 session “Water Law Update: *Sackett vs. Environmental Protection Agency*” at 3:30 p.m. where he will discuss the implications of the 2023 Supreme Court decision to limit the definition of Waters of the United States regulated under the Clean Water Act.
