Thomson Reuters has recognized 18 Locke Lord lawyers as Stand-out Lawyers. As part of Thomson Reuters' Sharplegal study, more than 2,000 senior legal buyers around the world are asked to nominate up to three lawyers they have worked with within the last 12 months who have stood out to them above all the other lawyers they interact with. These Stand-out Lawyers are recognized for their ability to improve client satisfaction, increase client advocacy, grow share of wallet, strengthen their firm's brand, enhance people engagement and increase profits per partner.
