Locke Lord is a proud sponsor of the Florida Venture Forum's 30th Annual Florida Venture Capital Conference, being held virtually on March 3-4, 2021. **Kathleen Swan** will moderate the Women and Minority Investment Panel.

The 2021 Florida Venture Capital Conference will bring together around 1000 attendees from across the US and around the world, including 200+ investors ranging from angel, to growth equity, to later stage private equity. The all-virtual conference will feature panel discussions, speakers, and networking opportunities providing attendees with unparalleled access and information on all aspects of venture capital in Florida – and beyond!
