## 2021 Minimum Standard Detail Requirements for ALTA/NSPS – What’s Changed

---

**Wednesday, April 14 • 2:00 – 3:00 p.m. ET**

In this webcast, Ingrid McPeak from American National will be focusing on the changes in the most recent update to the Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys, effective February 23, 2021.

The training is approved for MCLE credit in California, Illinois, New Jersey (through reciprocity), New York, and Pennsylvania. Credit for other jurisdictions may be available upon request. Please email [clemanagement@troutman.com](mailto:clemanagement@troutman.com) to register for the program.
