Monday, June 28 • 3:00 – 4:30 p.m. ET

The recent boom in the popularity of Special Purpose Acquisition Companies (SPACs) gives dealmakers another transaction vehicle to consider. While SPAC-related news continues to dominate the financial headlines, there is ongoing debate as to the future of SPACs within the deal world.

This webinar will discuss how SPACs are impacting the M&A world and what dealmakers need to know as SPACs continue to mature as a transaction vehicle. Our seasoned panel will offer a comprehensive overview to demystify SPACs.

Topics covered will include:

- SPAC usage in the dealmaking community
- Discussion of the SPAC process: From IPO to De-SPACing

We will also answer YOUR pressing questions about SPACs.

If you're looking for an engaging and hard hitting discussion on all you need to know about SPACs as a dealmaker, this is a can't miss webinar.

Panelists:

- Patrick Hanraty, Managing Director, ICR Capital LLC
- Richard Mandery, Managing Director, Raymond James
- John McGonigal, Mid-Atlantic Region Partner in Charge of Assurance Services, Marcum LLP
- Joseph Walsh, Partner, Troutman Pepper
