On February 15 from 12:30 – 1:30 p.m., James and Chris will speak on the “CFPB Updates” session discussing the new leadership at the CFPB and how it is widely anticipated that the Bureau will engage in aggressive enforcement coupled with an expansive regulatory agenda. Hear from a panel of experts as they provide insights into the Bureau’s top legal issues for 2022, with an emphasis on how those priorities will transfer to bank regulators and the impact on online lenders partnering with federally regulated banks.
