Tracey Diamond and Jessica Rothenberg will be speaking at the “A Hazy Landscape: Marijuana & The Workplace” session at the 2023 MEA HR & Employment Law Conference. As more states and cities legalize marijuana, the complexities of how to address it as an employer only grow, and the stakes become higher. Can employers test for marijuana? Should they? How can a multi-jurisdiction employer navigate conflicting laws? What are the risks in taking an aggressive stance? Join us for a discussion of how to navigate marijuana and the workplace.

Our Cannabis Practice provides advice on issues related to applicable federal and state law. Marijuana remains an illegal controlled substance under federal law.
