Troutman Pepper is proud to support the ACG NY Healthcare Conference. The 16th Annual Healthcare Conference will assemble over 400 senior Middle Market Healthcare payers, providers, systems as well as top private equity, family office and strategic buyers representing billions of dollars ready to invest in the North American Healthcare Sector. Hear from leading health care industry professionals, active investment bankers in the U.S. middle market, and multi-billion dollar Private Equity decision makers as to where they are spending their powder in the North American health care sector.

Troutman Pepper partner, Joe Kadlec, is on the conference planning committee and will be speaking at the conference.
