December 11 – 13, 2024

Troutman Pepper partner Bruce K. Fenton will be speaking on a panel at the Raymond James 2024 Institute for Business Owner Excellence Conference. In this session, titled “The Legal Side of Working with Business Owners,” panelists will address essential housekeeping and protection issues that should be discussed with business owners two to three years prior to an investment banking transaction. Additionally, they will provide insights on how to interpret an LOI.
