2025 Energy Bar Energy Forum

**Marriott Marquis
Washington, DC**

SPEAKERS

[Josh Kaplowitz](#)

Monday, September 15 • 3:00 – 4:10 p.m. ET

Troutman Pepper Locke's Josh Kaplowitz will be speaking on the "Navigating the Headwinds: The Future of U.S. Offshore Wind," panel during the 2025 Energy Bar Association Energy Forum. The program will take place on Monday, September 15, from 3:00 pm to 4:10 pm ET.

The session will focus on the current challenges facing the U.S. offshore wind industry, which has been experiencing significant challenges despite its initial rapid growth. The panel will address key issues on supply chain distributions, regulatory hurdles, political uncertainty, risk management, and engineering challenges.
