April 14 – 16, 2025

Troutman Pepper Locke is a proud sponsor of the 2025 Global Power Markets Conference, hosted by S&P Global, taking place in Las Vegas from April 14 – 16, 2025. In this premier event for decision-makers navigating the future of power, more than 800 executives from power, energy transition, finance, infrastructure, investment, and government will come together to tackle the industry's most pressing challenges and emerging opportunities.

John Leonti will be moderating the executive panel, "Navigating Tax Equity: Financing Pathways for the Evolving Power Market" on Tuesday, April 15 at 4:15 p.m. John will facilitate a discussion on tax equity financing for energy projects with executives from JP Morgan, Monarch Private Equity, Paragon Energy Capital, and the American Council on Renewable Energy (ACORE).

Brandon Lobb will be moderating the panel, "The Growth of Data Centers and Impact on Power Markets" on Wednesday, April 16 at 9:00 a.m. This discussion will examine the challenges that come from the explosive growth of data centers that is leading the skyrocketing power demand in the U.S.
