**Wednesday, November 19 • 3:30 – 7:00 p.m. ET**

Join us at the Mid-Atlantic Health Care IT Forum, an exciting event tailored for both emerging health care companies poised to revolutionize the industry and established funders focused on health care IT investments. This forum offers a unique platform for cutting-edge companies to present their innovative ideas and visions for the future during the Health Care IT Company Showcase.

This is a prime opportunity to elevate your profile and gain brand exposure in front of prominent health care leaders in the Mid-Atlantic region. Since 2019, companies that have presented at this forum have collectively raised over \$100 million in venture capital and growth equity.

The event will feature insightful discussions on the future of health care technology and the investment climate, showcasing some of the most exciting companies in the health care technology space. Attendees will also have the chance to network with investors, entrepreneurs, and executives, fostering connections that could drive future collaborations and investments.

Don't miss this opportunity to be at the forefront of health care innovation and investment. Apply now to present or register to attend and be part of shaping the future of health care IT.
