Troutman Pepper Locke is proud to sponsor the 2026 Bloom Burton & Co. Healthcare Investor Conference, taking place on April 21 – 22, 2026, at the Metro Toronto Convention Centre. This event will feature Canada's premier publicly-traded and venture-backed private companies as well as the most promising pre-venture companies in the healthcare industry.

Join Canadian, U.S. and international investors who are interested in the latest developments in Canadian healthcare companies. Investors have the opportunity to obtain corporate updates from presenting companies, and certain investors will be invited to participate in our 1-on-1 meeting system with company management.
