The Small Business Investor Alliance's Western Capital Summit will take place at Fairmont Miramar in Santa Monica, California. Continuing in their recently expanded format, the three-day event merges networking opportunities and shorter sessions with an informal, relaxed SoCal vibe. The conference also serves as a host for CapitaLinx, SBIA's exclusive matchmaking opportunity for institutional investors and lower middle market funds.

The Western Capital Summit:

- Attracts more than 200 lower middle market fund managers, limited partners, investment bankers, and industry professionals;
- Offers a collegial networking environment with senior-level decision makers;
- Includes substantive content sessions, as well as timely updates on the legislative and regulatory agendas in Washington;
- Features the Dealmaker's Wine Tasting reception, a unique opportunity to connect with select limited partners;
- Serves as a host for CapitaLinx, SBIA's exclusive matchmaking opportunity for institutional investors and lower middle market funds.

Troutman Pepper Locke is proud to continue our support of the SBIA and their conferences around the country.
