Thursday, November 9 • 10:30 a.m. – 12:00 p.m. ET

Troutman Pepper Partner Alison Grounds will be speaking at the 20th Annual Georgetown Law Advanced eDiscovery Institute on Thursday, November 9, 2023, from 10:30 a.m. – 12:00 p.m. ET.

Alison's session, "Navigating the Legal Landscape: A Comprehensive Case Law Update for Advanced eDiscovery," will analyze recent developments in the law by judges with experience with handling and resolving similar issues in their own matters. Get beyond the opinions and learn the factors and atmospherics that often contribute to eDiscovery caselaw outcomes from judges who handle such disputes routinely. Improve your advocacy by understanding the way judges think about discovery disputes and common tactics for resolving them.
