Troutman Pepper Locke is proud to support The Tuck School of Business' 20th Annual Private Equity and Venture Capital Conference: New Frontiers. Partner Paul Mahoney will be speaking on the panel "Nuts and Bolts: The Broader Private Equity Ecosystem."

Each February, the Tuck School of Business Center for Private Equity and Venture Capital, in partnership with the Tuck Private Equity and Venture Capital Club, hosts the Tuck Private Equity and Venture Capital Conference. For two decades, this conference has brought together alumni, students, faculty, staff, and industry professionals in Hanover to discuss emerging issues, share insights, and foster meaningful connections within the private equity and venture capital communities.

This year's theme, New Frontiers, promises an exploration into the latest trends, innovations, and visionary leaders shaping the future of private equity and venture capital.
