May 20 – 22, 2025

Troutman Pepper Locke is a proud sponsor of the 22nd Annual Energy Infrastructure CEO & Investor Conference on May 20-22, 2025, in Aventura, FL. The premier gathering for investors & leaders shaping the future of traditional and emerging energy infrastructure. With over two decades of excellence, the EIC has established itself as a must-attend event for industry C-suites and decision-makers. Renowned for its dynamic content and high-caliber attendees, the conference brings together a diverse cross-section of senior executives from public and private companies, private equity and venture capital leaders, institutional and retail investors, sell-side analysts, banking and capital markets professionals, consultants, legal experts, and more.

Jennie Simmons will be speaking during the panel, “Midstream M&A Outlook: Consolidation, Expansion & Transformation” on Wednesday, May 21st at 3:40 p.m. The panel will discuss navigating market uncertainty, transaction strategies, consolidation trends, the opportunities in emerging markets, and more.
