Troutman Pepper Locke's Richmond Managing Partner Brooks Smith will be joined by Liz Williamson to moderate "Regulatory Briefing: Virginia Department of Environmental Quality (DEQ), Virginia Department of Conservation & Recreation, and Virginia Department of Wildlife Resources" briefing as part of the VMA Environmental Health and Safety Conference & Expo. The briefing will take place on Wednesday, September 10, from 10:00 am to 12:00 pm ET.

This annual briefing by the DEQ is a favorite for conference attendees as a "one-stop shop" for updates on pending and proposed regulations of air, water, waste, recycling, climate change, land use, and permit practices.
