February 7 – 8, 2023

Troutman Pepper is a proud sponsor of the 2023 3 Rivers Venture Fair (3RVF), taking place on February 7 – 8, 2023, in Pittsburgh, PA. The 3 Rivers Venture Fair is the premier venture conference in the Ohio Valley region. Every 18 months, hundreds of investors, entrepreneurs, and top-tier service providers from around the world gather in Pittsburgh for this two-day meeting of ideas and money. Partner Eric Kline will be moderating the "Underdog Financing Option: Why You Should Consider Debt Financing During Your Capital Raise" session on February 7, 2023 from 3:15 – 4:15 p.m. ET.

The cornerstone of the fair is the Venture Connection. In this exciting format, investors host meetings with groups of entrepreneurs that have been matched with them based on capital needs, industry and other key criteria. Each session is broken into 15-minute segments giving each investor the chance to meet with up to a dozen well-screened, capital-seeking entrepreneurs.
