Locke Lord is a proud sponsor of the 31st annual Florida Venture Capital Conference, held on February 8-9, 2022, in Orlando, FL. **Kathleen Swan** will moderate the two-part “Venture Capital State of the Industry Panel, An investor’s perspective both inside and outside of Florida.”

The Florida Venture Capital Conference is one of the largest gatherings of venture investors and professionals in the Southeast, attracting more than 500 attendees, including more than 200 active venture investors ranging from seed/angel to growth equity to later stage private equity. To date, presenting companies have raised \$11 Billion in equity capital. The two day conference features panel discussions, speakers, and networking opportunities providing attendees with unparalleled access and information on all aspects of venture capital.

The Florida Venture Forum (FVF), the largest statewide support organization for investors and entrepreneurs, is the preeminent member-based, private equity, venture capital and angel capital organization in Florida.
