NEW YORK – *Thomson Reuters* has recognized 39 Troutman Pepper Locke attorneys as “Stand-out Lawyers.” As part of *Thomson Reuters*’ Sharplegal study, more than 2,000 senior legal buyers around the world are asked to nominate up to three lawyers they have worked with within the last 12 months who have stood out to them above all the other lawyers they interact with.

Those recognized are noted for their ability to improve client satisfaction, increase client advocacy, grow share of wallet, strengthen their firm’s brand, enhance people engagement, and increase profits per partner.
