63 Troutman Sanders Attorneys Rank as Georgia Super Lawyers

Nine attorneys in top 100 and two among state's top 50 female lawyers

ATLANTA – Troutman Sanders LLP is pleased to announce that 63 of its lawyers have been selected for inclusion in the 2009 edition of Law & Politics' *Georgia Super Lawyers*.

For inclusion and distinction as a "Super Lawyer," attorneys are selected by their peers based on an extensive balloting, research and blue-ribbon review process.

This year, Law & Politics contacted several thousand active Georgia lawyers and asked them to nominate attorneys whom they have personally observed in litigation, transactional or other legal matters. The voting attorneys were asked not to choose a candidate based on reputation alone, but on certain criteria, such as peer recognition, professional achievement, civic service and pro bono activities.

Ranking in the top five percent of active, licensed attorneys in the state, Troutman Sanders' 2009 Georgia Super Lawyers are:
