---

## **December 4 – 5, 2024**

Nanette Heide was the conference co-chair of the 9th Annual Corporate Governance Conference.

Steven Khadavi was a co-chair of the panel, “Managing Shareholder Meetings and Priorities of Institutional Investors.” The panelists explored best practices for engaging with shareholders, as well as strategies for addressing shareholder concerns. Attendees gained insights into how to effectively navigate the complexities of shareholder relations and ensure that governance practices aligned with the expectations of institutional investors and fostered transparency, accountability, and long-term value creation.
