Troutman Pepper strongly condemns acts of violence, hatred, and bigotry of any kind. As evidenced by recent media reports, there has been a disturbing rise in antisemitic incidents over the past several weeks, and they are at the highest level since the Anti-Defamation League began tracking them in 1979. These incidents of hate have no place in society, and we categorically denounce antisemitism in any form.

We remain dedicated to protecting our culture of inclusion and belonging within our firm and our communities. Today, and every day, we support our Jewish colleagues, clients, and friends.

Troutman Pepper is a proud partner of Shine A Light, a purpose-driven platform for organizations, companies, institutions, and individuals to unite in shining a light on antisemitism in all its modern forms. Learn more at shinealight.com.
