---

Troutman Pepper Locke is proud to sponsor the ABA 27th Annual Emerging Issues in Healthcare Law Conference in Nashville on April 8-11, 2026

David Navetta, a partner in the Privacy + Cyber practice group will present “Treating the Healthcare Tracking Technology Class Action Epidemic” in April 10.

This session will discuss plaintiffs that are targeting health industry entities for class action lawsuits alleging that transfers of data from websites using third-party cookies, pixels, and other trackers without consumer consent are unlawful interceptions in violation of wiretapping laws.
