Academic Innovation to Market Reality: Best Practices for University Spin-Offs

Virtual

SPEAKERS

[Melinda Rudolph](#) | [Amanda A. Hassan](#) | [EA Weeks, Ph.D.](#)

Join Troutman Pepper Locke attorneys Mindy Rudolph, Amanda Hassan, and EA Weeks for a webinar exploring how life sciences innovation emerging from university research is translated into market-ready products. The webinar will offer practical guidance on structuring university spin-offs for long-term commercial success and will examine how issues such as complex intellectual property ownership and misaligned expectations among universities, founders, and investors can complicate efforts to move academic discoveries from the lab to the marketplace.

The training is approved for credit in California, Connecticut (through reciprocity), Illinois, Nebraska, Nevada, New Jersey (through reciprocity), New York, North Carolina, Pennsylvania, Rhode Island and Texas. Credit for other jurisdictions may be available upon request. For more information, please email [CLE Management](#).
