Tuesday, November 19 • 1:00 – 8:00 p.m. ET

Troutman Pepper is proud to sponsor the ACC Greater Philadelphia Health, Biotech & Pharma CLE Institute on Tuesday, November 19, 2024.

Troutman Pepper Partner Mindy Rudolph and Counsel Tricia Brauer will be joined by Amneal Pharmaceuticals Vice President and Associate General Counsel Edward Angelini on the panel “So Many Agreements, So Little Time: Tales from the Front Lines in Life Sciences Contracting,” at 4:00 p.m.

We’ve all been there. It’s Friday afternoon and a CTA, co-development agreement, and two supply agreements with “due yesterday” timelines have somehow materialized in your inbox. Minimal budget for outside counsel. On-going hiring freeze. Your #2 is on vacation. EBITDA projections are down for a third straight quarter and finalizing these agreements will go a long way to solidify the business units’ bottom line. What’s a GC to do?

This presentation, led by former and current in-house lawyers, will highlight the contracting challenges our panel has experienced and strategies they have successfully implemented to mitigate these challenges, create efficiencies, and streamline contracting within life sciences organizations.
