DealFest Northeast is the largest and most significant M&A event in the northeast, bringing together key deal professionals from across the country – capital providers, intermediaries, deal advisors and strategics – for efficient and dynamic networking.

Attendees rely on DealFest Northeast – featuring [DealFest](#) and [DealSource Select](#) on September 21 – as a primary source for networking and deal flow every year.

It's the most effective way to connect with New England's top private equity and investment banking firms and middle-market M&A professionals to discover new partners, identify untapped sources of deal flow, and sample the region's best craft beers in a lively outdoor atmosphere!
