With hundreds of influential deal professionals from across the country in attendance – capital providers, intermediaries, deal advisors, and strategics – DealFest is a primary source for networking and deal flow; it's the most effective way to connect with New England's top private equity and investment banking firms and key middle-market M&A professionals, to discover new partners, and identify untapped sources of deal flow.

Troutman Pepper is proud to continue our sponsorship of their DealSource Select portion of DealFest on June 8.
