ACG New York Private Equity Roundtable

(Invite Only Event)

SPEAKERS

James D. Rosener | Jessica X.Y. Rothenberg

Thursday, May 20 • 5:00 – 6:30 p.m. ET

Topic: Post Covid Work Place Transition

Should or how do firms address the issue of employees physically returning to the workplace? This roundtable will discuss the key social, economic and legal issues with returning back to office.

What will the new work place culture and environment look like? What are the key regulatory and employment law concerns we must consider, regardless of firm size.

This ACG New York Private Equity Roundtable is a quarterly meeting that hosts speakers to address topics that provide services and information designed to help PE firms operate their business (regulatory, management assessment techniques, sales performance improvement, developing strong investor relationships, fund raising, etc.). It is not designed to cover areas of interest in the Business Development Sector or Financial Controls. ACG provides other venues for these latter two disciplines.

These meetings are open only to Private Equity Firms and subject to the following criteria: North American funds with Committed Funds in excess of \$100mm. Attendance is limited to one member from the PE firm at the Partner/MD level who has firm-wide responsibilities that may include Business Development but NOT exclusively Business Development. Membership is on an annual basis and limited to 30 members.

For additional information, please contact the Event Co-Chairs:

- David Hellier, Partner, Bertram Capital (dhellier@bcap.com) or 650.358.5083
- Robert Landis, Founding Partner, The Riverside Company (rlandis@riversidecompany.com) or 212.265.6408
