Troutman Pepper is a proud sponsor of the ACG NY Healthcare Conference. The 2023 Healthcare Conference will assemble over 450+ industry senior providers, payers, PE executives, and decision makers for 1-1 deal meetings, networking and great discussion. Hear from leading health care industry professionals, active investment bankers in the U.S. middle market, and multi-billion dollar Private Equity decision makers as to where they are spending their powder in the North American health care sector.

Troutman Pepper partner Joe Kadlec is moderating the closing keynote featuring Nick Stefanizzi, CEO, Northwell Direct
