December 3 – 4, 2025

Troutman Pepper Locke is proud to sponsor ACI's 30th Annual Conference on Drug & Medical Device Litigation, to be held on December 3-4, 2025 in New York, NY.

The event offers a valuable chance to connect with stakeholders in product liability defense, including industry professionals, private practitioners, and members of the Bench. Over two days, attendees will engage in interactive discussions and networking to explore the current and future landscape of product liability litigation.

The program features insights from industry leaders on challenges facing the drug and medical device community, including AI-related risks in drug development and medical device usage. Topics covered include new MDL case management changes, Rule 702 amendments, bankruptcy as a mass tort resolution strategy, and litigation exit strategies.
