Advancing Eco-Friendly Battery Recycling With Storm Energia

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#) | [Daniel N. Anziska](#)

In the latest episode of our *Battery + Storage Podcast*, returning guest host Dan Anziska is joined by MJ Chandilya, CEO of Storm Energia. MJ provides an in-depth look into Storm Energia's mission and operations, centered around the safe, secure, and economically efficient recycling of EV and other lithium-ion batteries.

Tune in as they discuss the unique approach of Storm Energia's eco-friendly mechanical process, compact facilities, and ambitious growth plans.
