AFloat: American Floating Offshore Wind Technical Summit

RELATED PROFESSIONALS

[Josh Kaplowitz](#)

Locke Lord is a proud sponsor of the AFloat: American Floating Offshore Wind Technical Summit on September 25. [Josh Kaplowitz](#) will serve as a panelist and discuss “Regulatory Frameworks, Permitting and Incentives,” at 3:30pm ET in Portland, ME.

AFloat is among the most-established conferences dedicated to floating offshore wind in the United States, bringing together technical, regulatory, and permitting experts to share ideas and solutions, tackling issues through problem-solving, barrier removal, risk mitigation and forming meaningful partnerships.
