AI & Antitrust

SPEAKERS

[Bradley C. Weber](#)

Brad Weber, co-leader of Troutman Pepper Locke's Antitrust Practice Group, will be speaking at the Antitrust Texas conference taking place on October 21, 2025 in Houston, TX. His panel on "AI & Antitrust" will discuss the following topics:

- Open source vs. closed source competition
- GenAI
- Antitrust & algorithmic pricing
 - Information exchanges
 - Challenges faced by regulators
 - Updates on recent cases
- Use of AI as an investigation tool
- Partnerships between firms – what will be allowed and what won't be?
