---

As we head into 2022, Troutman Pepper's Air and Climate team would like to thank you, our loyal readers, for making 2021 our most read year ever! To that end, we'd like to share our most popular posts:

- [Rule Limiting EPA Regulation of GHG Emissions Vacated by D.C. Circuit](#)
- [Environmental Justice to Play Significant Role in Air Permitting Process Under Biden Administration](#)
- [EPA Promulgates Final Cost Benefit Analysis Rule for Clean Air Act Regulations](#)

We look forward to continuing to provide you with more insights and analysis on the latest developments in air and climate-related issues.

See you in 2022!
