

Alumni Ethics and Professionalism CLE

Thursday, February 17 • 12:00 – 3:00 p.m. ET

Join us for substantive CLE ethics and professionalism programming.

“The World has Changed...Let’s Sort it Out.” The upheaval we’ve experienced over the past few years has had a profound impact on lawyers. Whether we are in-house counsel or working in a firm, there are certain ethics and professionalism issues we all have to deal with – hybrid work arrangements, tech issues, the challenge of supervising from a distance...and the overarching concern about continuing to behave like a proper legal professional. Join Stuart Teicher, Esq., “The CLE Performer,” as he explores the danger zones. Topics include:

- How some of the fundamental aspects of the practice have changed, including competence, supervision, and communication;
- Tech might have changed, but our duty to act professionally has not;
- The entire world has changed when it comes to communicating with our clients.
