August 20 – 22, 2025

The Atlanta-based Troutman Pepper Locke environmental team is set to attend and participate in the Annual Georgia Environmental Conference held at Jekyll Island, Georgia. This conference will take place from Wednesday, August 20, through Friday, August 22, 2025.

Partners Charlie Peeler and Greg Narsh will deliver insights during the session titled “[Environmental Crisis Management: Best Practices and Lessons Learned](#).” Following their presentation, Mack McGuffey and Melissa Horne will moderate the “[Legal and Practical Implications from New and Anticipated Air Regulations](#)” session. Additionally, Karlie Webb will serve as the moderator for the “[Georgia EPD Land Protection Branch Update](#)” session.
