Please join members of the Locke Lord Antitrust Practice Group for a complimentary webinar and CLE program discussing changes in Washington and their potential impact on antitrust law and enforcement.

Topics to be covered include:

- **Antitrust Agencies:** New agency leaders, their possible approaches to different issues and investigations and whether initiatives from prior leadership will be carried over
- **Congress:** Democratic control of the House and Senate and the impact that proposed new legislation would have on antitrust laws
- **The Courts:** Antitrust cases that are currently in the Supreme Court as well as the cases in the lower appellate courts that could end up there
