Baker Donelson's AI Group Focuses on 'Questions Coming to Our Clients'

RELATED PROFESSIONALS

Alison A. Grounds

Alison Grounds, managing partner of Troutman Pepper eMerge, was quoted in the July 24, 2023 *Daily Report* article, "[Baker Donelson's AI Group Focuses on 'Questions Coming to Our Clients'](#)".

In May, Troutman Pepper Hamilton Sanders [announced a similar effort](#) that included the creation of a task force to assess "the risks and benefits for both our own delivery of services as well as advising our clients of the use of the newer iteration of AI," task force lead Alison Grounds, a partner in Atlanta, said.
