Leigh Zeiser, director of AI & automation at Troutman Pepper Locke, was featured and quoted in the September 15, 2025 *Law360* article, “[BakerHostetler Manager Joins Troutman as AI Director](#).”

Zeiser said in a statement that she was drawn to the Troutman innovation team’s “forward-looking vision and genuine service mindset.”

“The opportunity to directly contribute to shaping the future of legal practice and to empower the firm’s mission through AI-enabled solution strategy is incredibly energizing,” she said.
