Please join our Intellectual Property and Health Sciences practice groups for our podcast series focused on strategies, trends, and other happenings in post-grant proceedings.

In this episode, Troutman Pepper Partner Andy Zappia and Counsel Bryan Smith analyze the sanctions order made public on February 6 in the *OpenSky v. VLSI* IPR proceeding. They explore how sanctions work at the PTAB, the types of conduct that could expose a party to sanctions, and best practices to avoid them.
