Troutman Pepper Locke Partner [David Kupetz](#) will be joined by Jeffrey P. Bast of Bast Amron LLP and George H. Singer of Holland & Hart to present “Beyond Chapter 11: Evaluating Receiverships, ABCs, and Bankruptcy in a Distressed Market” as part of a Barbri webinar. The program will take place on Tuesday, July 14, from 10:00 a.m. PT to 11:30 a.m. PT.

This CLE course examines the strategic considerations that drive the selection of bankruptcy, receivership, or ABC proceedings and compares how each process addresses asset preservation, business operations, creditor rights, claims administration, and distressed asset sales. The panel will explore why receiverships have experienced significant growth in recent years, the circumstances in which lenders and purchasers may prefer receivership or ABC proceedings to bankruptcy, and when Chapter 11 remains the superior solution.
