Board of Commissioners Is Weighing Exception to Battery Storage Moratorium

RELATED PROFESSIONALS

George O. Shepherd

George Shepherd, an associate in Troutman Pepper Locke's Regulatory Investigations, Strategy + Enforcement Practice Group, was quoted in the August 30, 2026, *Rockdale Citizen* article, "Board of Commissioners Is Weighing Exception to Battery Storage Moratorium."

> George Shepherd, of Troutman Pepper Locke, representing Treaty Oak, said the proposed edit was intended to eliminate ambiguity about whether the project's previously approved rezoning qualified for the exception.
>
> "It's to make clear that our rezoning application, which was approved, falls under that exception," Shepherd said.
