Building Out Energy Storage Facilities Across the US With Jason Burwen, GridStor

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

In this episode of the *Battery + Storage Podcast*, host Bill Derasmo interviews Jason Burwen, the vice president of policy and strategy at GridStor. Leveraging his rich background in energy policy, Jason provides a unique perspective on the immense growth potential of the U.S. energy storage sector. He also weighs in on the hot issues facing the California ISO market.
