In this episode of *FCRA Focus*, hosts Kim Phan and Dave Gettings are joined by Partners Cindy Hanson and Ron Raether to discuss recent CFPB advisory opinions on accuracy in background check reports and the inclusion of data sources in response to consumer file disclosure requests. They delve into the challenges companies face in obtaining accurate information from public record sources and the implications of the CFPB's guidance for the industry. The conversation also highlights the importance of effective dispute processes and vendor relationships in ensuring compliance. Tune in for insightful commentary on these critical issues in the FCRA compliance environment.
