CFPB Expands Its Authority To Punish Banks For Discrimination

RELATED PROFESSIONALS

[Chris Willis](#)

Chris Willis, a partner in Troutman Pepper’s Consumer Financial Services Practice Group, is quoted in the *American Banker* article, [“CFPB Expands Its Authority To Punish Banks For Discrimination.”](#)

“The CFPB’s announcement is a sea change in how financial institutions need to think about fair lending and fair treatment.”

...

“We suspect a court would be suspicious of the CFPB taking this policy judgment into its own hands.”
