CFPB's Involvement in Tenant Screening

FCRA Focus Podcast

SPEAKERS

[David M. Gettings](#) | [Ronald I. Raether Jr.](#)

Please join Consumer Financial Services Partner Dave Gettings and his fellow Partner Ron Raether as they discuss the Consumer Financial Protection Bureau and its supervision of the tenant screening industry. During this episode, Dave and Ron also examine issues facing tenant screening companies and what can be done in the industry.

Ron Raether has helped companies navigate federal and state privacy laws for more than 20 years. He has effectively defended hundreds of privacy and data security putative class actions. Ron's experience is unique in the number of privacy cases litigated through class and substantive issue motions, including defending those successes in the appellate courts.
